Study Overview:

You may be eligible to participate in an exciting opportunity to share your opinions on community services and needs for older adults in Charlotte/Mecklenburg County through a study conducted by the Gerontology Program at UNC Charlotte and sponsored by Southminster non-profit agency.

The main goal of this study is to learn about the health status and service use needs of older adults, to assess support needs, psychological outcomes and to understand the use of community services for older adults and family caregivers.

Participants will answer a one-time questionnaire and receive a \$20 gift card.
